Hi All,

Didn't quite make it by COB on 6/13, but here are comments on three of the documents:

- The April 28 Meeting Summary
- Summary of SME Meeting Day 1
- Partial Approval Letter for the monitoring well installation.

Thanks,
Bob W.

There are still meeting summaries prepared by the Navy from teleconferences in late April and our in person meetings in May that we need to review and approve. Please let me know by COB Monday June 13, 2016 if you have any comments.
